“Opportunities for You in Science and Engineering”
Open House**

Authorization/Medical Release

I, _____, am the parent or legal guardian of (Student Name) _____, a minor from (School) _____.

I give my permission for my child to participate in the Caltech CNSE/CSEM 2005 “Opportunities for You in Science and Engineering” on October 22, 2005 in Pasadena. My signature acknowledges that I have read, understand and accept the attached Rules of Conduct that apply to my child. I give permission for my son/daughter to answer survey questions about his/her experience at Caltech, in order to help improve this program in future years.

This activity will involve on-site visits with professors and graduate students at Caltech who are engaged in work in fields such as chemistry, computer science, engineering, biotechnology, and physics, and will involve visits to laboratories. In consideration of Caltech’s permitting my child and/or me to participate in this event I am willing to affirm the Rules of Conduct that are attached here. I have read and fully agree with these Rules of Conduct as part of my and my child’s participation. I understand these Rules are designed to reduce any risk associated with this event. I am also willing to affirm that I have certain personal responsibilities and release Caltech from liability, by assuming all risks in connection with this event, and holding Caltech harmless for any harm, injury or damage which may befall my child or me in any manner connected with this event, except where such harm, injury or damage results from the willful negligence of the Caltech employees or agents supervising this event. I understand that the terms of this RELEASE are a contractual obligation, and not a mere recital.

In case of an emergency and if I cannot be reached I, the undersigned parent or guardian of the above named child, do hereby consent to any x-ray, anesthetic, medical, or surgical diagnosis or treatment and hospital care deemed advisable and rendered by any licensed physician or surgeon. This authorization is given in advance of any required care to empower a representative or other official of Caltech to give consent for such treatment as the physician may deem advisable. This authorization is effective unless revoked in writing. I accept full responsibility for any medical expenses incurred as a result of these actions.

During the Open House, photographs and videos of the students may be taken. I hereby grant to Caltech the right, without fee, to make and use photos and/or video tape recordings of my child in connection the Open House in any manner or form and for any lawful purpose at any time.

I have read this Authorization and Release before signing below and warrant that I fully understand its contents. I understand that the terms herein are contractual and not mere recital, and that I have signed this document freely and voluntarily.

RULES OF CONDUCT

In order to ensure that this Open House on October 22, 2005 is pleasant and trouble-free, it is necessary that all participants observe the following rules while in attendance. These rules are strictly enforced! *All parents/guardians must review these rules with their child before signing the bottom of the Authorization/Medical Release (separate sheet).*

Participants must attend the full program. No early departures. You may not leave any event site without the Expressed Permission of the Program Coordinators (Sarah Marcotte or Robert deGroot) and unless you are in the company of your teacher, staff person, parent or guardian.

No smoking during program events. Eating is only permitted during lunch and snack time, in designated areas. Conference rooms and auditoriums where meetings occur must be left in perfect condition. All papers, wrappers, gum and cans – even those left by others – must be picked up prior to departure of each program site.

Possession and/or use of alcoholic beverages or illegal drugs by students is absolutely forbidden. *Suspected* misconduct of this nature will result in immediate expulsion from the program, notification of your parents, and possible suspension from school.

If you are a student and you personally drove to the program, you must have written permission, and your car must be registered with your school’s coordinator. All passengers commuting with you must also be registered. No coming and going. Violation of this Rule may result in notification of school/parents and possible suspension.

Students are expected to cooperate with staff, teachers, and speakers at all times.

Dress thoughtfully. Remember you are representing your school and your community.

Listening to Walkmans, MP3 players, and other assorted music machines is not allowed.

Students must have parents or guardians sign the Authorization/Medical Release, and give it to the teacher NO

LATER THAN OCTOBER 7, 2005. Students will not be able to participate in the program if the teacher does not have this Authorization/Medical Release.

Infraction of these rules may result in immediate dismissal from the program. In the case of such a dismissal, the school and parents will be notified and the student will return home immediately at his/her own expense. *Please now sign the Authorization/Medical Release which indicates that you and your child have read and fully understand the rules above and the consequences of infraction.*
